Employment Opportunity, Community Wellness Worker (CWW)

As an employee of the Kwakiutl District Council (KDC) you will be a key member of the health team, providing direct patient support to KDC member nation citizens. This exciting new role will offer the right candidate an initial one year, full time term contract.

Reporting to the Mental Health & Addictions Program Manager, this front line worker holds a Bachelor in Community Social Services or health related program, such as Human Services, Mental Health, Life Skills & Career Development with two to four (2-4) years' experience. The incumbent 1) works under clinical supervision of the MHA Manager to coordinate client-focused treatment/rehabilitation plans (advocacy, education & referrals); 2) develops and delivers addictions & mental health awareness activities (e.g. men's group; chit chat) according to pre-approved program planning schedules and 3) builds community relationships and promotes a safe health and supportive environment for clients that instils a sense of dignity and self respect.

A Bachelor in Community Social Services or health related program, such as Human Services, Mental Health, Life Skills & Career Development, two (2) years directly-related experience in the majority of specialties listed in the job description (e.g. working with mental health issues; intake process for addictions; knowledge of the Mental Health Act; understanding the social effects of substance abuse, the ability to organize community groups/programs; the ability to use alternative and traditional healing methods) is required, although an equivalent combination of education and experience will be considered.

In circumstances where there is an equal combination of qualifications and experience, preference will be given to people of Aboriginal heritage.

To receive a comprehensive job description, please email: administration@kdchealth.com

Employment Opportunity, Counsellor & Patient Health Care Navigator (CPHCN)

As an employee of the Kwakiutl District Council (KDC) you will be a key member of the health team, providing direct patient support to KDC member nation citizens. This exciting new role will offer the right candidate an initial one year, full time term contract.

Reporting to the Health Director, the CPHCN works as part of the Health Team and, as required acts as a Counsellor and client care navigator while ensuring care is culturally specific, ethno sensitive, and patient-centered. Working with the KDC Health Team, helping with the aboriginal health system of the new FNHA Health Benefits program, and referrals as the need is identified; the CPHCN has dual responsibilities to act as a client advocate to help community members navigate the hospital/health care system and to serve as a Counsellor for KDC client care.

A Degree in Social Work, five (5) years directly-related experience in the majority of specialties listed in the job description (e.g. experience in health promotion, delivery of health programs and understanding of community health issues) is required, although an equivalent combination of education and experience will be considered.

In circumstances where there is an equal combination of qualifications and experience, preference will be given to people of Aboriginal heritage.

safeTALK

PLEASE JOIN US....

KDC Health is pleased to offer safeTALK to anyone interested in enhancing their understanding and skills in responding to those at risk of suicide. This training, offered as part of the FNHA Hope, Help, Healing Project is free to anyone interested. Health workers and Community members will become confident with how to handle suicide situations, and with assisting the person to feel safe.

Suicide Alertness for Everyone

safeTALK is a three-hour training program that prepares helpers to identify persons with thoughts of suicide and connect them to suicide first-aid resources. Most people with thoughts of suicide, either directly or indirectly, invite help to stay safe. Alert helpers know how to identify and work with these opportunities to help protect life. Powerful videos illustrate both non-alert and alert responses. Discussion and proactive stimulate learning. Upon completion the participant will receive a safeTALK certificate.

When: Sept. 9 @ 10:00 AM-2:00 PM (Lunch Provided)

Where: KDC Health Campbell River– Multi-Purpose Room

Who: First Nation Community members and Partners

To register contact Allan Campbell at allan.campbell@kdchealth.com or call 250-286-8064
